- **Essay “Penguins”**

The penguin is a bird but it does not fly. Penguins are not like other birds, they are unique birds. They do not fly in the air or live in the trees. We find them in the water. The penguin is an ocean bird. Their webbed feet help them to swim fast. The penguins have thick and strong wings. When penguins are on the land, they walk along slowly. The penguins eat fishes. They have strong bones compared to other birds.

- **Write a letter to a friend to invite him/her to your birthday party:**

Ainzara,

Tripoli,

December 17, 2024.

Dear _____,

Hi! How are you? I hope you are doing well. Guess what? My birthday is coming soon! I’m having a party and I really want you to come.

The party will be at my house. We will have cake, games and balloons. It will be so much fun!

Please let me know if you can come. I will be really happy if you can come.

Hope to see you soon.

From your friend,
